District I Annual Meeting

February 2, 2024

"Orofacial Pain Management and
Dental Sleep Medicine Update
2024"

SPEAKER

[Dr. Charles Ramsey]

Dr. Ramsey began his career in Dental Medicine in 1988 with most of his 30 years spent at his practice in Byram, MS. In 2011, a life-altering condition changed his professional path. Returning to the School of Dentistry as an Assistant Clinical Professor gave him many new perspectives. One such perspective was the reality of many people seeking a diagnosis and relief of symptoms were often coming up empty in their pursuit. Along with treating pain, Dr. Ramsey also narrowed his focus of care to Dental Sleep Medicine. Today he leads a great practice in both and is passionate about getting his patients fully recovered and restoring their quality of life.

Having passed the board exam, Dr. Ramsey is now a Diplomate of the American Board of Dental Sleep Medicine (ABDSM), which is the gold standard in dental sleep medicine. The ABDSM is an independent, nonprofit, self-designated board certifying licensed dentists who treat sleep related breathing disorders. The American Academy of Sleep Medicine (AASM-physicians organization) exclusively recognizes the dental sleep medicine Diplomate certification granted by the ABDSM.

Dr. Ramsey has been inducted into the American College of Dentists. A very prestigious achievement as only 3.5% of dentists are invited to become a fellow.
